Proposed Resolution for June 28th CBC Meeting

We, the congregation of Central Baptist Church of Jamestown, declare ourselves a welcoming and affirming congregation recognizing all human beings as worthy and loved by God.

We proclaim that our community of faith continues to welcome, affirm and embrace people from all family configurations, religious backgrounds, racial and cultural identities, economic status, differing abilities, sexual orientation and gender identities.

We affirm and support all human relationships based on love and mutual respect.

Through our American Baptist heritage of Soul Liberty, we invite all people to fully participate in the life and ministries of our community as we journey together in faith.
